

## City of Kings Mountain Energy Services

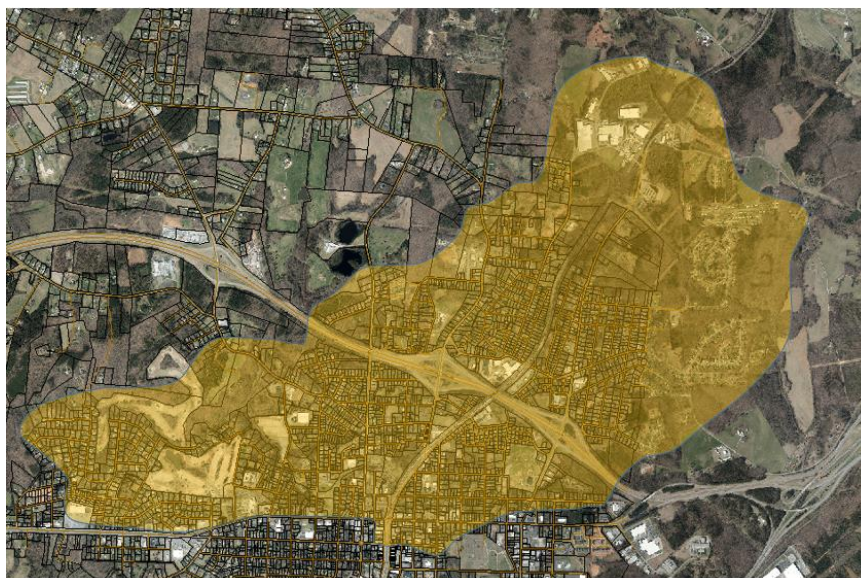

### Electric Division Planned Outage Information

The City of Kings Mountain's Energy Services Electrical Division is planning a scheduled outage during the early morning hours of:

**Sunday, October, 18, 2020.**

The outage is anticipated to begin at **2:00AM** and be over at **5:00AM**. The entire outage will last for approximately **Three (3) HOURS**.

Below is an approximate area of those that are served by the City of Kings Mountain Electric that will be affected by the outage. If you live in this area and/or have questions regarding the outage please contact our Electric Desk at 704-730-2125, M-F, 7:30am until 4:00pm.

This outage is necessary to perform critical maintenance on our electrical infrastructure to ensure we are able to continue to provide safe and reliable electric power to our customers. Please refer to our "Preparing for a Planned Electric Outage" on the City's website under the Electric Division page/"Like to Know Information", for information on steps you may take to be prepared.
